First episode was super lit, also really glad it's gonna be 24 episodes.

Can't wait for the next ep

Ye should be interesting, did you also watch the S2 2 ep OVAs that set up the S3 stuff?

I don't think so. I only saw one where they all went to an Inn.

Ah ye that was the first ep in that OVA, there was an episode after it where Souma and the 7 other ppl from the tournament meet the Big 10 peeps that they show at the start of ep 1 in S3

Yeah, I was super happy to see 24 instead of 12

Same, I'm seeing a few anime doing that now such as Boku no Hero. Idm a few short anime here and there but I think its a shame when some adaptations are ruined due to being constrained by half a season's worth of eps forcing a lot of the stuff from the manga to get constricted and ruins everything.

Vouch.

Ep 2 seems to have set up a nice showdown for ep 3, looking forward to it.

Spoiler [\(Click to View\)](#)I also see more of a harem situation developing now amongst the characters than I did in the past 2 seasons, especially with the dynamic going on with Erina, Alice and Hisako. Altho if they ever do give it more romantic elements they'll probs lean towards Megumi imo

Honestly surprised at how fast pace it is, makes me happy once more that it's 24 eps xd

DerMensch24 - October 26, 2017, 8:49 pm

Shokugeki getting lit, last ep was intense

DerMensch24 - November 4, 2017, 10:28 pm

Loving this season so far, each episode gets more and more intense

Anime only fag here, so to see the show take such a turn from it's usual straight foward plot was a surprise

Ye there're throwing in a fuck ton of plot development and movement

DerMensch24 - November 10, 2017, 11:41 am

Seems with that last episode they're showing what the main conflict is going to be for the remainder of the season

Just to let you know I read the manga and the manga is still in this arc albeit close to ending. Next season should only come out in like 2 years probably & It'll also be about the current arc probably since it's so big

Good to know, altho this season is going to be 24 eps unlike the 12 eps from last season, but hopefully we still get a good amount of material in the adaptation

DerMensch24 - November 16, 2017, 6:25 pm

Holy crap this season just keeps getting better

Ep 7 was intense

Spoiler ([Click to View](#))Nakiri's dad is going full commie dictator over the school, shit's lit. Also that elite 10 dude just fucking cruel man

DerMensch24 - December 21, 2017, 7:24 pm

What the heck? I thought it was going to be 24 episodes, but its only 12. Very saddening :/

yes what else? what do u mean?

Bluebit - December 22, 2017, 4:35 pm

Just finished the mid-season finale the other day, SO HYPE!

Demonstrate - December 22, 2017, 4:36 pm

That ending was great, wasn't sure how they were going to transition that final scene, but it fit in so perfectly that it honestly surprised me. I thought that they were saving the reveal until next season, or skipping it all together during this arc.

Bluebit - December 22, 2017, 4:38 pm

I know I was wondering when they were gonna reveal their connection

He always acts cute and dumb but he is not cute or dumb... Always asks stupid questions acting like he doesn't understand whats happening. his freaking voice sounds like he is being sarcastic 100% of the time. so annoying. I also hate the little dumb animations like this one

<http://prntscr.com/hr9at0>. it happens too frequently in season 2

Just watch the last episode or any episodes with those in mind and then tell me i am wrong

musolini1111 - December 23, 2017, 4:15 am

final episode was op. waiting for new ones omg
