Thread: [Scammed \\$52.51 by "Kaleb" uid=3384515](#)

G Eazy - October 8, 2017, 3:06 pm

I posted a thread <https://hackforums.net/showthread.php?tid=5733235>. He sent me a message after I posted.

I know it hasn't been 24 hours but who adds someone to there ignore this before they send money?

1. <https://gyazo.com/e9cca2f8c17eabfbb22fa94208cd1d09>
2. <https://gyazo.com/d2724b9fc36f4cf6edcc9af366be0812>
3. <https://gyazo.com/f71db19c6fbe215b6d3e147d35cf03b5>

This is proof that I haven't received any funds before he added me to his ignore list.

5. Proof I sent him Paypal Funds: <https://gyazo.com/ed89c03f9221e5403be0d291dce7c311>

I simply just dont want this happening to anyone else. I know I am not going to get my money back which is sad but that's just to way some people are these days.

Hes a known scammer. Needs to start earning his money legit way the fucking nonce.

Froggy - October 8, 2017, 3:09 pm

Sorry to hear this Jixter. Being added to their ignore list is a clear sign of a scam. Since you sent the money via PayPal, you still have the possibility of getting it back. There are many members that can offer advice in that regard.

Looks like you could use my help if you haven't filled the dispute as of now.

kookur - October 9, 2017, 12:22 am

This is enough now, he clearly scams like everyday and posts like a normal member. He must be banned now !!

Ice Poseidon - October 9, 2017, 12:27 am

Lol was it so hard to check his trust scan? Could have saved you from being scammed oh well I guess this should be a lesson for you.

This dude is finessing people here every day.

(Oct 9, 2017 12:28 AM)? Mr. Burnham ? Wrote: [\[CITE\]](#) This dude is finessing people here every day. I wish this idiot would just get banned honestly. But OP you should've checked his UID out before doing a deal. Fortunately, you can still get your money back!

Aren't sold accounts, bannable? I'm pretty sure that's against ToS / Rules therefor the account should be closed.
