Thread: [Vitalik Buterin | The Advantages of Decentralization - Event Horizon 2017](#)

B?ker - October 8, 2017, 3:24 pm

[Video: <https://www.youtube.com/watch?v=yO0fRwVxbSs>]

Didn't see anyone post this so I thought I would. Seems this is old but still good

Eagerkid - October 8, 2017, 4:31 pm

He is certainly a smart cookie. You should include your analysis on the video in your thread. We all have access to youtube, and could look it up if we really wanted the information. What is important in the forums, is your thought and analysis

Kill Joy - October 8, 2017, 7:43 pm

I wrote a thread from Vitalik's writings about decentralization here:

Shit, forgot you didn't make it past the 3rd grade reading level. ?

The video is really great though, such Ana amazing dude. You know he's something special too when fake rumors of his death make the price drop.
