Thread: [Collection of Delphi books -> Sorted: by year](#)

tcsH - October 9, 2017, 5:28 am

I'll be populating this overtime with various Delphi related books, useful for anyone having a go at Delphi.

Links will most likely remain online for a lengthy period of time, if they don't PM me and I'll be sure to remedy the problem.

2016 Releases:

[The Delphi IDE Open Tools API Version 1.1 - David Hoyle \[2016\]](#)

[Object Pascal Handbook - updated for Delphi 10.1 Berlin - Marco Cantu \[2016\]](#)

[MVVM in Delphi - Architecting and Building Model View - ViewModel Applications - John Kouraklis \[2016\]](#)

2015 Releases:

[More Coding in Delphi - Nick Hodges \[2015\]](#)

2014 Releases:

[Delphi Cookbook - 50 recipes to master the power of Delphi for cross-platform and mobile development on Windows, Mac OS X, Android, and iOS - Daniele Teti \[2014\]](#)

[SOA Maturity Model - A Delphi-Derived Proposal for Inter-Enterprise Setups - Pericles Antoniades \[2014\]](#)

2013 Releases:

[Coding In Delphi - Nick Hodges \[2013\]](#)

2010 Releases:

[Delphi 2010 Handbook - A Guide to the New Features of Delphi 2010 - Marco Cantu \[2010\]](#)

2009 Releases:

[Delphi 2009 Handbook - Marco Cantu \[2009\]](#)

Pre-2008 releases:

[Delphi for .NET - Developers Guide - Xavier Pacheco \[2004\]](#)

[Delphi Language Guide - Borland Software Corporation \[2004\]](#)

[Mastering Delphi 7 - Marco Cantu \[2003\]](#)

[Tomes Of Delphi Basic 32 bit Communications Programming - Alan C. Moore \[2003\]](#)

[The tomes of Kylix - the Linux API - Glenn Thomas Stephens \[2002\]](#)

[Tomes of Delphi Win32 Core API - John Ayres \[2002\]](#)

[Delphi Developers Guide to XML - Keith Wood \[2001\]](#)

[The Tomes of Delphi algorithms and data structures - Julian Bucknall \[2001\]](#)

[Delphi in a Nutshell - Ray Lischner \[2000\]](#)

BitmasterXor - October 9, 2017, 3:18 pm

tcsh thank you so much for contributing this knowledge for others to learn from, I will definitely go through these books and see if i don't have one lol.... I keep a very large collection of Delphi related E-Books on my backup drives. I LOVE the Delphi Cookbook it has some really good examples and materials in it. I actually learned a few shortcuts from it some time ago.

Thanks again tcsh Keep Delphi going strong man :)

My pleasure. send a link with the collection when you get the time, I'll compare to my own and upload any that are missing (I still need to add some of mine too) ?

BitmasterXor - October 10, 2017, 11:36 am

<http://www.mediafire.com/file/0s3ecpd8ejb7woq/Delphi+E-Books.rar> Enjoy My Delphi E-Books Collection if you need another link ill be more than happy to upload elsewhere.

The directory tree will look as follows:

- Delphi
- Delphi 5
- Delphi 6
- Delphi 7
- Delphi 8
- Delphi 2005
- Delphi.zip

Some books are not categorized very well and just scattered everywhere.

And the Delphi 8 thing is just one book about using Delphi for the .NET framework. I never read it personally but hey maybe you or someone else may find its contents useful in some way.

Anyways Enjoy my collection and I have TONS more I just have not bothered making and updated pack.... so when I have time Ill pack them up into a more "Modern Day" Delphi E-Books pack.

I have updated Ebooks for XE and UP including the "Object Pascal Handbook" by: Marco Cantu.

Peace!

what ebook reader do you recomend?

tcsh - March 31, 2019, 12:18 am

(Mar 30, 2019 09:34 PM)Read101 Wrote: [\[CITE\]](#) what ebook reader do you recomend? for the .epub file? just convert it to pdf. use a simple google search: epub to pdf online

or use this one, its free: <http://www.epubfilereader.com/>

Read101 - March 31, 2019, 10:42 pm

its all i could find when i did search, all converters i though you would use an actual reader, but thats cool i will convert it. thanks for the post btw.

Hello, links don't works, can you update?

Thanks.
