Yoo HF,

Do you want some extra (Free) cash in GTA5:Online?
Dont search further, join us!

We have a small community set up in our own discord server, and me and my droppers host 1-3 free money drops per day!

Besides the free money drops we also host alot of give-aways where you can win up to 100m GTA5 Cash!

How to join:

1. Post your Discord username so i can give you your role in the server
2. Use this invite link [deleted]

Or add me on discord and ask for an invite my discord is : Kush#3280

Please read the rules and FAQ before asking questions!

Besides all the free stuff, we also offer a paid service(GTA5:Online Recoveries, Cash, RP, Unlocks, We got it all at KushModz)

Status: OPEN

Very good and reliable as AK-47

billara GG - October 28, 2017, 8:50 am

The mod menu used keeps getting updated so the risk of R* finding out about it is minimum. Be sure to use his services to buy some in game cash or just hang out on the discord server for a nice free money drop lobby.

sander23 - October 28, 2017, 8:56 am

Super friendly modder ! His drop lobbies are an absolute 10/10 ! participate in this is definitely advised ! ? ?

Kush is the best dropper on discord , he always drops more than 3,000,000 gta dollars , if you need help with money kush can help with that also he does private services and the prices are really cheap for what you get . If you have the opportunity to buy gta services , kushmodz is the right place to do so , because everything is secured with kush , he wont steal your account , he s a professional and a trustworthy person . I gave him 13 dollars and he gave me 500m and raised my level to what i want to be in gta . I appreciate kush for being kush i suggest you appreciate him for what hes been doing , keep up the good work kush. YB Big Boss
