So recently DatGuyJex gave me a vouch copy of his program and ultimately revoked it as I wasn't quick enough. Well I like to call people out on bullshit so I was posting on his sales thread and a fellow HF Member reached out to me.

Now I am not the guy to believe in coincidences but look at this Date Closed/Last Visit

Date Registered on the new account..

Now if this is just luck I must be a fucking leprechaun.

I purchased Recard about a week ago and have had nothing but problems since then. Long story short Extrex said that a new version of Recard would be released and I haven't heard from him since then. Now Gifty appears looking exactly like Recard and Extrex is nowhere to be found. I messaged DatGuyJex about this predicament and he banned me from his discord after saying that Recard and Gifty are not related at all. I would stay away from DatGuyJex.

You like lying and faking shit up don't you.

Keep it going kiddo, shall i release all the pms you sent me to the public now, or later?

I only banned you from discord because you kept breaking the rules, you lied to me and you even tried being all sneaky on Discord.

You weren't a customer of Gifty, Im allowed to kick you of the discord whenever I like.
