Thread: [XXX / Adult configs for sentry mba allowed?](#)

Was wondering if selling Sentry MBA configs for Adult websites is allowed?
I know selling Adult accounts are not, but what about the configs?

I'm not sure if it's explicitly disallowed. What kind of accounts would this be for?

I haven't read the [Help Docs](#) in a while but I think there's a distinction between selling accounts and selling configs. Should be fine IMO.
