I'd love to get this! I got duped out of my other GTA 5 account from some idiot who was wanting to "help me" about a year ago. I've been poor asf on it ever since and would love the opportunity to start building my account back up.

I'd need this so I could give it to my mate! His birthday is coming up. I have a PS4. :P

Well I can't really say that I need it, after all it is a video game. But it's hard to have fun with your friends without money. I've never modded money or even any of the car glitches so i'm not as rich as most GTA players but if I could get this i'd really appreciate it mate!

I need this cash because I was too cocky to get my account modded and I just spent all of my money on a bunker and a mobile operations center and an oppressor lol

ItzClydeFrog - October 15, 2017, 9:24 pm

I would love to get this as well because I need money to buy a tank and go on a rampage. I'm going to start streaming more games on twitch and some more money would help me out alot.

Thanks
