[img]<http://ploader.net/files/e7e980bb7f010528444a83fd6dfe4564.png>[/img]

shadowwwwclone, Here is the final result:

[img]<http://ploader.net/files/d37a853ea0bf480f13aae471a8c9c3e5.png>[/img]

But because it was so hideously large... Here is the trimmed version.

hey, I know that I do not fit your criteria, but I am new, and plan to stay here a long time. If you do have spare time, and are really bored, can you please make me a sig.

all I want is something pink and sparkly maybe with a little gray...like a crown and text Princess Allie

I would leave the rest up to you on how to make it look really cute and nice..

that is if you do feel like doing it

if you do, I would really appreciate it

I do have some one else doing one for me too, that is if they get around to it. However, I will do switches back and forth to both, if I get them both.

Volcomusa - September 4, 2010, 2:29 pm

Everyone, I will make these ASAP, which is likely on Monday night... I am really sorry for the inconvenience, but feel free to post.... If you can wait 2 days. REALLY sorry...

Holy gravedig my dude.

It's a bit obvious that OP won't reply as:

a) the thread is from 2010, and

b) OP's account is closed.
