Thread: [BEST SPREADING GUIDES](#)

**Crippy** - October 17, 2017, 5:25 pm

Hai, this is a list of spreading guides some may be little outdated but most work.

Flash Player Method: <https://hackforums.net/showthread.php?tid=5624349>

Infected PDF Method: <https://hackforums.net/showthread.php?tid=5622010>

YT Method: <https://hackforums.net/showthread.php?tid=5639586>

Post your methods hopefully within 24 so I can edit XD.

**siddy357** - October 17, 2017, 6:26 pm

are you saying that your thread methods are outdated too.

**Zar66661** - October 17, 2017, 6:55 pm

thanks for the share, just look at how APT malware is sent and improve that shit.

**Purple Kief** - October 17, 2017, 7:03 pm

I mean it's one way to advertise your products.. ?

**#Skyline** - October 17, 2017, 9:15 pm

Suggest you remove your spreading guide link, the rest is fine. It's against rules to link marketplace threads within a non-marketplace thread for advertising purposes...
