Thread: [Remastered my old song, what you think?](#)

findingnature - October 19, 2017, 12:18 pm

Before:

<https://soundcloud.com/high-c123/2x2-ft-king-money>

After:

<https://soundcloud.com/high-c123/2x2-ft-king-money-remastered>

What do you think?

jobi - October 19, 2017, 12:22 pm

its a completely different song bro

Thanks bro. It is definitely my favorite song I have made now.

foxdies - October 19, 2017, 12:24 pm

I think they're both nice, the instrumentals are wicked. If you don't mind some criticism, you should work on the vocals, they sound a little flat. Mic quality sounds kinda weird too. But again, the track itself is really nice. Its definitely a jam.

Thanks! I am always open to criticism that is how I make myself better.

sorry is this a joke? haha

its really bad if you ask me

Spoiler [\(Click to View\)](#)like garbage

Killy - October 19, 2017, 1:32 pm

are you recording with a legit mic?

cause the audio is not clean

Yes but I'm not the best at using it lol

Nachfolger - October 19, 2017, 1:34 pm

Probably just stick to hacking minecraft servers.
