Thread: [HF Writers Group and Wiki DELETED](#)

Omniscient - October 20, 2017, 8:36 pm

The HF writers group and the Wiki are now done.

Sadistic - October 20, 2017, 8:37 pm

watch it burn baby, watch it burn

patek - October 20, 2017, 8:37 pm

great choice omni i recommend taking away all upgrades, post count & turn all positive reps negative

true - October 20, 2017, 8:37 pm

It's like anudda shoah!!!

Grim - October 20, 2017, 8:37 pm

Seems like there is a good amount of pruning going on. Sounds good. Also noticed there is no more purple Custom theme anymore.

chase. - October 20, 2017, 8:37 pm

damn rip to the group will news still be up?

Woods - October 20, 2017, 8:37 pm

It is all going bye bye :(

carlos_matos - October 20, 2017, 8:38 pm

Writers were always a bunch of circle jerks anyway

Airness - October 20, 2017, 8:38 pm

wowwww why, what is this. Omni think about what you're doing

Zexo - October 20, 2017, 8:38 pm

Welp there it goes boys sorry.

I hope you put the tab back lol the site looks weird without it .

Why does the few have to ruin it for the masses :(

Mr. Robot - October 20, 2017, 8:40 pm

Interesting to see what else will change. Time to embrace the future direction of the forum.

Can't speak for him, but i'd imagine there's a formatting in the works. Just sit back and relax for now.

Logo is different too - maybe we are getting the new HF update or something?

These images is in the same directory

Thought this was a joke at first but then realized it wasn't April Fools. Sad to see it go honestly. But I guess you got a plan, Omni. I'll be watching to see what changes you'll be doing in the future as this forum moves forward :^)

Zexo - *October 20, 2017, 8:43 pm*

@omni can you grant the last testimonial I approved you have pm's disabled thanks.

Cruz. - *October 20, 2017, 8:44 pm*

So many changes in this one little day

Sadistic - *October 20, 2017, 8:45 pm*

I love the new changes, keep up the good work
