Why are you selling this if you can make the money of two sales each day and keep it unsaturated?

**Ariaa** - October 21, 2017, 8:49 am

Bet365 is a must or could this work with other sites?

**ayamas** - October 21, 2017, 12:26 pm

is this risk free and what if i lose? would you be able to refund the ebook cost?

**Fortunate** - October 21, 2017, 12:43 pm

I have received the vouch copy but I have yet to test it since I don't want to throw \$200 on a betting site.

The method seems promising but it's really just mostly based on martingale and close odds, so I wouldn't still sell it for \$25.

I don't know if it is even bulletproof profit but I'll have to test it out.
