Thread: [Gaming & Chill HF Discord - Active](#)

**Allison Argent** - October 21, 2017, 10:06 am

Feel free to join, we already have a lot of reputable HF members and we have decided to open it up for everyone

<https://#/9k5ja2u>

We have 80+ HF members atm and it's pretty much always active during the day, both voice and chat.

Mainly covering games & general lounge talk.

Disclaimer: I do not own the Discord nor do I have any dealings with the owner of the Discord.
