Which clout goggles should I get to match my shirt?

SweatShop - October 21, 2017, 12:41 pm

Where does one find these googles?

Go on ebay filter from lowest to highest price and set buying options to only buy it now
Or <https://www.ebay.com/itm/263221857854?var=562216421491>

F?cgle?? - October 21, 2017, 12:43 pm

None because they're all fucking ugly.

I like the white ones, or the all the black ones

I suggest any from ^

Can someone link me to where I can buy the reflective lens like these

I'm looking for like a sheet that I can just cut up to put on my clout goggles so they got reflective lenses.

why would you want any of those wtf

mr. jeffrey - October 21, 2017, 12:58 pm

I thought I clicked on a thread in the meme section
damn

aawon - October 21, 2017, 12:58 pm

idk about the "goggles" but i like the shirt dude
