tfti10001 - October 23, 2017, 12:40 pm

Lol. Fuck her and then ditch her bruh (don't forget to wear a condom cause she a h**)

NullOperator - October 23, 2017, 12:41 pm

She's quite clearly a slut lmao, just don't be looking for anything serious with girls like that, not worth the hassle.

/wrists - October 23, 2017, 12:42 pm

op is ewhoring on [BRAND NAME REMOVED] lol

Yandere - October 23, 2017, 12:44 pm

As someone who watches Rick & Morty I am smart enough to tell she may seem like one but who

knows she might not be.

Dimlead - October 23, 2017, 12:45 pm

Good thing I'm not on [BRAND NAME REMOVED] anymore, only fake accounts on there, people pretending to be IG models, or either sluts lmfao

Yandere - October 23, 2017, 12:45 pm

charlieGFXMods - October 23, 2017, 12:51 pm

It depends what does she want to do...

thegreat23 - October 23, 2017, 12:54 pm

If she has snapchat does that mean shes real ? I don't think you can fake live snaps can you?

Noceur - October 23, 2017, 1:01 pm

i've thought about trying to use [BRAND NAME REMOVED] but it's not really worth it imo.

Dar?k - October 23, 2017, 1:26 pm

She is a slut and I'd hit it ?

But it could be a fake profile too..

Nosi - October 23, 2017, 1:37 pm

Don't think it is a fake profile, too many fat girls in one of her pictures.
Go ditch and run pal

Cool - October 23, 2017, 1:52 pm

lol you can easily fake live pics and videos on snapchat on android and ios, you better ask for some verification before tryin to meet up, hope you dont get your heart destroyed op.

Macklemore - October 23, 2017, 2:12 pm

it might be an HF member trying to ewhore on [BRAND NAME REMOVED]

CyberStrike - October 23, 2017, 2:19 pm

Oh man no one wants to date a slut God forbid you have a good time. [/sarcasm]

Go get out there!!1

Mr. Kim - October 23, 2017, 2:22 pm

Yes she is a slut. And yes you should meet her. Go get some pussy for all of us, OP.

Kekdem - October 23, 2017, 5:17 pm

"damn sit on my face" Bro... you go to business real quick.. ??

Killy - October 23, 2017, 5:21 pm

yeah might be someone trying to ewhore you

but let me know if you smashed haha

hello98321 - October 23, 2017, 5:28 pm

You're getting ewhored lol

Effexion - October 23, 2017, 5:40 pm

"Sit on my face"

Would have been golden if she replied with "Why, is your nose bigger than your cock?". Was quite

a cringe thing to say imo lmao.

fearwoman4jj - October 23, 2017, 6:03 pm

ooh well you can get to meet her and see how things goes , she might not be that bad

fearwoman4jj - October 23, 2017, 6:03 pm

Grimace - October 23, 2017, 6:32 pm

That's a class A [BRAND NAME REMOVED] sloot, meet up and meat up kid.

Hiroi - October 23, 2017, 6:59 pm

she is def a hoe, I wouldnt mess with that cause shes got that dude in the picture which leads me to believe that her dude shes cheating on.

ai?maN - October 23, 2017, 10:27 pm

that doesnt seem real at all OP lmao.. Girls arent that down, especially if they're attractive.

Enzio - October 23, 2017, 10:37 pm

Knock her ankles loose and leave.

SanctualProductions - October 23, 2017, 10:46 pm

I doubt she'll meet you in person lol why would you even post her pictures on here dude smh

Gliese - October 23, 2017, 10:54 pm

She seems a bit suspicious. Girls on [BRAND NAME REMOVED] aren't usually straightforward like that (unless you have 6 pack abs and you look like a model) . If you're an average-looking guy, then she might be fake or a scammer.

Caligeina - October 23, 2017, 11:25 pm

I'd go with yes, you don't often find [BRAND NAME REMOVED] girls posting pictures in a thong suit (reverse ass shot) if they're not interested in smashing random dudes.

test - October 23, 2017, 11:28 pm

Dick her then get yourself tested. Don't get eWhored.

CyberStrike - October 23, 2017, 11:56 pm

Heck you know I was thinking about it it could be some girl with some guy to rob ya OP. I dunno why that got in my head.

Cylow - October 24, 2017, 4:11 am

Inb4 op gets ewhored and that profile is made by an hf member

Dr.Hurlu - October 24, 2017, 4:15 am

is she asking for money or what ? I don't get it..

419rind - October 24, 2017, 4:47 am

Be careful with this one OP she could be using her friend as the main photo ?

deadsh0t - October 24, 2017, 7:13 am

Lmao if she invites you to come to her make sure your frineds/family knows where you are in case of friends tell them if you dont send a text message at a particular time come and get me with baseball bats so they can beat the shit out of her/him if you get robbed also dont send her money xD

baka~ - October 24, 2017, 7:43 am

Go for it, smash the hell outta her.

She's 99% real, don't ask me how I know but I just do :)

fearwoman4jj - October 24, 2017, 7:49 am
