Thread: [Has anyone lost rep](#)

WRX - October 24, 2017, 7:47 pm

So,

To start this off its nice to see features like rep coming back but has anyone lost rep?

I only lost 3 and I dont believe anyone would change their rep on me.

I went from 976 to 973

Just curious if this happened to anyone else.

Truth - October 24, 2017, 7:48 pm

Nope, just losing 3 rep isnt really a big deal. Maybe someone just tested the rep on this new setup?

Deany - October 24, 2017, 7:48 pm

Hmm it might be reverted because of that glitch or w.e

Yeah its not a huge deal for me just curious if it happened to anyone else on a bigger scale like 100+ rep gone or anything

M?xim - October 24, 2017, 7:51 pm

Ehm Yes i lost about 500 rep. Waiting for them to get back.

Leroy Jethro Gibbs - October 24, 2017, 7:52 pm

Seems legit.

WTF is that pie chart lmao.

Those negatives tho

Alice Dee - October 24, 2017, 8:05 pm

Yes I made a thread saying I had 2k rep. Now look at it..

There have been several scripts used to apply charts to reputation pages, so users can quickly and easily see the differences between their negatives and positives.

Cagey - October 24, 2017, 8:55 pm

I gained 10 but I PM'd omni already and he's trying to figure it out now

Prepper - October 24, 2017, 8:59 pm

I believe I had 176 and am down to 159 can't be too sure but it doesn't matter to me either way.

Anyone who says they don't care about rep either has so fucking much it doesn't matter or they're just lying. It's one of the only defining metrics on the site thus it carries a pretty heavy importance.

Not gonna lie I did care for my first 200 rep but then after that I been chill about it

Yin Yang - October 24, 2017, 9:02 pm

I didn't lose any from the upgrade

I doubt I'll ever stop caring about it, I love seeing the numbers change and it's nice to know people like you. Maybe if I ever get like 1-2k I'll stop caring.

cybr - October 24, 2017, 9:27 pm

i gained rep and it's very frustrating

Cagey - October 24, 2017, 9:29 pm

Spoke too soon I just lost like 3 rep i think

Regulus - October 24, 2017, 9:30 pm

Nope I do not believe I have.

Joy - October 24, 2017, 9:38 pm

I dont think i have lost any either. Maybe someone did change their rep om you.

I mean if you care about rep and all you do is sit in dumb parts of the forums then there's no point. But not having to deal with a mm or having to go first is a huge advantage

I have 3 lmao. Idk how the hell the chart is so broken. Its a userscript that makes rep look pretty.
lmao

Positive - October 24, 2017, 9:57 pm

More than likely an account was merged or pruned and you lost the rep.
Big whoop.

Shut up about rep.

bronzegods - October 24, 2017, 10:11 pm

At this point of time, everything is working fine. I just want things to settle down quickly.

Nathann22 - October 24, 2017, 10:16 pm

Nah, but I actually gained one somehow so that's cool

SIM-3326956 - October 24, 2017, 10:20 pm

I didn't lose or gain any rep I see a lot of people saying they gained a bit or lost a bit.

Niko - October 24, 2017, 10:43 pm

Yea, I lost about 3 as well.

Earlier today I had 777, now I have 787 but the rep I received doesn't quite match up

SIM-1589588 - October 24, 2017, 10:48 pm

Seems like I'm the only one who gained rep lol

Same here. After 200 didn't matter anymore.

g?th - October 25, 2017, 4:29 am

I'll check with this post, and we'll see.
EDIT: Nothing lost

Zens - October 25, 2017, 5:46 am

My reps still same as before. Hmm maybe a bug on reps system?

SIM-1729678 - October 25, 2017, 5:52 am

Maybe I lost a few, cannot remember.

Riyu - October 25, 2017, 5:57 am

I lost about 80 rep
Idk though

SIM-3420445 - October 25, 2017, 5:57 am

I didnt lose either mate. Have you checked your rep properly ? Did someone who repped +3 before changed it ?

Vitani - October 25, 2017, 6:32 am

Things like this are bound to happen. Some people lost some rep, some people gained some. It's not a big deal.

Mr.Cat - October 25, 2017, 6:33 am

lol you have 900+ rep and you still count them?

Supreme Kai - October 25, 2017, 7:10 am

Rep is still the same. Guess it only happened to you.

Renowned - October 25, 2017, 7:12 am

No changes here I believe, don't check my rep much tho.

milw0rm - October 25, 2017, 7:12 am

you are liar man you got 1k

Unkn0wnUs3r - October 25, 2017, 7:14 am

And the benefit of making this thread... you just got a shit load of rep.

Geass - October 25, 2017, 7:14 am

hmm, no, I personally have all as it was before, probably someone changed his rep.

HuntedCS - October 25, 2017, 7:15 am

Likely just a changed rep, I have had no issues so far.

Geass - October 25, 2017, 7:16 am

now it is possible to bump a rep, probably for few minutes or hours it was possible to remove rep too, but this is just a guess.

true, I am also surprised this forum was so nice to OP :P most times is the opposite.

OP was smart, now go open yourself a new thread for rep hahaha ?

Vitani's Mate - October 25, 2017, 10:39 am

Wanna see how much I lost.

Hopefully i won't.

Edit: didn't loose any.

sLACKER - October 25, 2017, 10:44 am

Would be an awesome idea to have banned members rep removed though like it becomes purged when the user is banned. I'd lose some but think a banned user shouldn't have any output on anyone else :)

???

That's just ???

If you scam someone. They post a deal dispute. They leave you a neg with a link to the deal dispute. - Why would that get removed if they get banned?

You're literally saying that it's invalid just because they are banned.

Personally, I wouldn't agree with banned users' having their reps removed.

But as far as closed users go, why should they get to voice their opinion on another user and non-upgraded members can't? When I think I'd value a non-upgraded member more than a user who was closed for negatively affecting the community in some way. It's debatable I guess.

Eeeh maybe because they wasn't banned when they left the rep? Maybe?

4158996621556 - October 25, 2017, 12:58 pm

Yes. I can confirm I have lost a total of 489 positive reputation. Help me guys

Getting reps is easy but maintaining them is the hard part. I remember many users who reached 3k reps in 2011-2013 but they are nowhere to be seen now. All of them got their account closed.

JX? - October 25, 2017, 2:45 pm

Ahh, I still think that their opinion would now be void as reputation should be an indicator of how the community view you as an individual rather than people outside of the community. Just my PoV.
