Thread: [Max Post Length => Please FIX](#)

EdoFazlinovic - *October 25, 2017, 1:28 am*

Max Post Length setting is 24,000 characters

I'm allowed to have 24k, but I can do only 8k. Can you fix this?

The message is too long. Please enter a message shorter than 8000 characters (currently 8133).
