Thread: [Funtela owes me 75\\$ btc for nearly 1 month \[UID=1610871\]](#)

Disclaimer: Don't get me wrong I think Funtela is a legitimate guy in respect to the business he offers here, but waiting this long for a refund is unacceptable.

So a little background information on the issue between me and Funtela. I bought bad batch of agc from here, he claims his source e-whoring, I trust that but one of them got refunded and the amazon account was about a week old with no other AGC applied to it, so then my amazon account got closed thanks to those 300\$ AGC which I paid 225\$ Btc for (1 month ago).

Relevant screenshot(s) (Where Funtela Pm'd me the approximate time he'd refund me in & amount).

Please keep in mind these are only 2 PM's out of like maybe 20-30, disregarding the other offsite communication (Discord, Skype). Anyways Funtela still owes me 75\$ and it's been 2 damn weeks since he's given me anything. I'd appreciate if you resolved this asap as it's unreasonable to wait 1 month+ for a full refund.

I have been advocating members for weeks to not deal with this member. I actually have the first reputation on this member, and I'm telling you guys, he's an idiot!

Raphant - October 25, 2017, 11:09 am

That's a shame... I hope Funtela refunds you your \$75 ASAP

I know this guy in real life lol, and hes shady. Shit, I'm not as smart as some of the people think they are on this site, but I'm not that stupid to know when someone pretty much gets reports posted about them almost every month sometimes more frequent then that, theres probably a reason for that.

Yea, I know I owe you money. I owe a lot of people money due to these AGC. My supplier fucked me over and I'm trying to pay EVERYONE back. Literally 10+ people. That's \$2k+ I owe a bunch of members. I owe you \$100, I owe others \$200, others \$300+. I'm doing the best I can.

Yes, I fucked up. But I'm trying to fix this in the most organized way as possible. I'll send you another \$25 right now. PM me.

And you, you're a 2 faced little bitch. I helped you out for hours and hours for you to get big on Twitter back then. And now you wanna go against me?

Go fuck yourself dude. And I've never even met you in real life..

Funtela will not scam. There might be delays as in my case once. But he will complete the deal for sure. Pm him to make it faster. Thanks

I've seen other disputes about Funtela and as far as I know, he always paid back his debt.

EDIT: Nevermind just saw he already posted here, saying he would.
