Thread: [Shall i remove Username and UID after Deal Dispute is Resolved? As asked by seller](#)

Severus_Snape - October 25, 2017, 10:01 pm

Hello,

Just wondering if this is legal to remove the UID and Username from the deal dispute after i have received the refund as being asked by seller?

Is it legal if we do so?

Please let me know that its ok.

You should if he resolved it, it's the better thing to do.

if you guys figured the situation out, then change it to a dwc thread or something

It is fine if you would like to do so, it isn't required however.

It's legal... of course.

But it may violate the deal dispute rules.
