Korvo - October 26, 2017, 9:19 pm

Bro all me and my girl do all day is watch movies/netflix..and we grind to make money together. I just started showing her some stuff I do to make the pennies and now we work together.

Anyways, what movies did ya'll watch?

Yin Yang - October 26, 2017, 9:25 pm

Which movies ffs- don't leave us hanging

iFckShadow - October 26, 2017, 10:16 pm

It's so hard to get through a movie without getting down and dirty. My girl made me watch Twilight with her. It took us 5 hours to finish that movie ?

Cagey - October 26, 2017, 10:17 pm

I'm picking up what you're putting down OP

oRequiem - October 27, 2017, 2:23 am

I've done that every day with my ex-gf when we were together, you're not the only one ?

Drizzy?? - October 27, 2017, 12:24 pm

Oh this wasn't meant to be dirty. Here's a diagram:

JoshAllen - February 27, 2018, 8:23 am

ven0m - February 27, 2018, 11:44 am

He was having sex.

Renowned - February 27, 2018, 1:21 pm

Hah! Made me laugh a little. Although on the premise of watching movies, do any of you feel the same as me and feel it's a waste of time but can quite happily sit and binge a TV show?

I find it hard to sit through one movie when she falls the fuck asleep. AND IT'S HER CHOICE.

I always prefer to watch TV shows they're so much more entertaining.

Oh definitely. I've been watching some documentaries on a service called NOWTV in the UK, a series of them called "Active Shooter" focusing around mass shootings in the US, very fair stance on the issues. It's interesting stuff.

Encyclic - February 27, 2018, 3:51 pm

I came here expecting to find out what movies it was etc. Yet there is no content here other than reading between the lines and figuring out you have the patience of a saint.

Reading between the lines would be she was sucking on that D.

Redwall - February 27, 2018, 9:01 pm

The question is did you pipe during the film.

Ravioli - February 27, 2018, 9:08 pm

Drizzy?? - February 28, 2018, 8:48 am

Danny Khalifa - March 1, 2018, 2:57 am

I watch movies once or twice a month.

I don't really like spending my time in front of TV and learning almost nothing.

I find myself more inclined to watch documentaries if I'm worried I'm being totally unproductive in my time spent in front of the television.

I feel like committing 90 minutes of my time to a movie is a waste, but I can easily binge watch a TV show of around 20-40 minutes in length all day long...

Elitas - March 1, 2018, 4:55 am

Damn, that one got me. ? I do like a good play on words like that.

I was actually going to share my own joke but realized it's probably a bit too morbid for here.

Nobody minds a good morbid joke.. Do it.. Unless this is the joke and it's gone completely over my head. Don't keep me in suspense. (Mar 1, 2018 05:55 AM)Elitas Wrote: [\[CITE\]](#) Damn, that one got me. ? I do like a good play on words like that.

I really shouldn't tell it. People might think I'm weird. ? I'll leave you with a much less morbid joke:

The inventor of throat lozenges died today.

Spoiler ([Click to View](#)) There was no coffin at his funeral. ?

No seriously, Omni will ban me for being a creep, loool.

But yeah, that joke I posed is a pretty nice pun. I like it when people play on words.

graset - March 4, 2018, 2:25 pm

If you're talking about someone sucking your dick while you watch TV?

Yeah I done that before. Feels pretty good but it kinda distracts me from my daytime soaps.

How the fuck am I gonna concentrate on Bold and the Beautiful while some bitch is sucking my kidney stones out of my pisshole?
