Thread: [King Dice \(from Cuphead\) User Icon](#)

Hello guys!

Is there anyone who can make me a cool user icon of King Dice, from my favorite game: Cuphead? I would really like a PNG user icon (default user icon size) with the text "King Dice" in a cartoony style!

King Dice:

Thanks a lot in advance!

If I like it, ofcourse I owe you something!

How are these? I've used a cuphead themed font and colour;
