Apparently it's still 2012 where people scam for \$40 lol. I guess he can go feed his family now or something.

Biggy - October 29, 2017, 2:15 am

Trust no one man, always use a middleman. Sorry for your loss.

ye i feel ya, only \$40.

Is the loser at the end of the day really the one who lost \$40, or was it the one who was desperate enough to resort to scamming \$40?
