Thread: [Coke or Pepsi](#)

FluxCoder - October 30, 2017, 10:46 am

I've seen a lot of people drinking these drinks, but which one is better than the other?

Personally, I feel like Pepsi Max is better because it tastes better than diet coke.
So for that, I'd pick Pepsi...

What would you guys pick?

HuntedCS - October 30, 2017, 10:47 am

I like regular Pepsi over Regular Coke. I also like Coke Zero Sugar, over Diet Pepsi, so yeah.

Coca Cola my friend, taste wise. But both are shit for our health.

Pepsi was good back when they were doing those word cup commercials with famous soccer players.

For some reason I like Coke more now. It may be cause I also love blow.

TheRealDarthHazard - October 30, 2017, 11:00 am

Coke all day long. I don't mind Pepsi but if you gave me the choice I would go for Coke first.

Cherry Vanilla Coke > everything

Nevieth - October 30, 2017, 11:48 am

I prefer Coke between the two brands, but my all-time favorite fizzy drink is probably MTN Dew Code Red. :)

Ryuzaki882 - October 30, 2017, 1:19 pm

I like Coke better. I always thought Pepsi tasted sweeter, and I don't like sweet stuff all that much.
But I'd drink either one, it doesn't really matter to me.

Fixcolus - October 30, 2017, 1:30 pm
