Thread: [What's your favorite award?](#)

Cooligan - October 30, 2017, 4:06 pm

I ask this question from time to time just to stay updated on what people really like for HF awards.

My favorite award on the whole site is probably either the Spy or Da Bomb as I've always loved both.

My favorite award that I have is probably either my Cool or Drunk award as both of them have strong sentimental meaning behind them. But then again, all of them do. ?

Anyway, what's your favorite award?

Airness - October 30, 2017, 4:08 pm

my favorite is gift, because if i ever got it... people would be like "man i wish i had a friend like him" lol

SIM-1589588 - October 30, 2017, 4:27 pm

Flamer award. I've burned many asses on HF.

g?th - October 30, 2017, 4:28 pm

Sushi Lover by far is my favorite!

Saltpeter - October 30, 2017, 4:30 pm

I most like the Grammar Nazi award because it is the one that describes me best. News team one is also pretty nice though.

Yin Yang - October 30, 2017, 4:31 pm

I like the green Apple, shades or eclipse

Nevieth - October 30, 2017, 4:37 pm

Dancing Queen, but Omniscient doesn't love me enough. :(

You should make a video of you dancing on [redacted] songs and send it to omni.

Sorry I can't leak this method in public. ? ? ?

Biggy - October 30, 2017, 4:43 pm

The sushi award. One day, my thread will be good enough.

Also, da bomb award looks dope.

Yandere - October 30, 2017, 4:45 pm

I like the ghost award the most. But as for my favorite of the awards I have it's hard to choose. Mainly since they're both meh. But I guess I like my Ub3r award more.

CYB3RM4N - October 30, 2017, 4:49 pm

I think XEMplary is aesthetically pleasing. Eclipse looks dope too.

Cameron - October 30, 2017, 4:49 pm

Royalty and Diamond are pretty dope awards.

Windows - October 30, 2017, 5:15 pm

My favourite awards are probably Spy and Blackhat.

They just look cool af in my opinion.

Androctonus - October 30, 2017, 5:20 pm

ITT we all say which award we want most. I want drunk. Best looking awards though IMO dog/cat lover, cute and cuddly, silver tut and gold clover.

Androctonus - October 30, 2017, 5:23 pm

I should work on more.

Your awards look gud. I wish I never got my support feather removed.

Riyu - October 30, 2017, 5:24 pm

I'd like the flamer award. Looks cool

Androctonus - October 30, 2017, 5:28 pm

(Oct 30, 2017 05:25 PM)Natha Wrote: [\[CITE\]](#) Thanks man, I'm not a fan of having 30 like some people on here.

To be honest with you, I don't think it's long before everyone's Support Feather, YouTube and Instagram awards are flushed and re-done as a lot of the links are inactive.

As for SupportForums, it's a dead project so the award might be deleted all together I would expect. Perhaps. SF is still up just not active. I wouldn't mind so much if the media related ones were removed but even though the links are dead, they were created for site promotion and it wouldn't make much sense to revoke something we earned. About award whoring, it looks cool on some peoples profiles. For example: [Look at Steves awards](#)

Also, as for SF, yeah..

Lol.

Nice one. How long were you gone for? I remember you posting back in the day. Probably a good idea, bans/closure are popular right now lol.

Favorite will always be the Spy award.
That's my main goal.

B FOR BADASS - October 30, 2017, 6:48 pm

I would love to have clover awards. They are nice in my opinion and good looking. Luck is an important factor in getting them. Thanks

ZooTedl - October 30, 2017, 6:50 pm

Dude I will one day earn the drunk award I promise you that lmao

Nevieth - October 30, 2017, 6:53 pm

Yes but if luck is important when factoring in how to get a clover, what's to stop someone from simply stealing a clover right out from under you?

edit: drats

canine - October 30, 2017, 7:07 pm

Flamer, sushi or really any of the unique cool awards you can't buy. Also the unique awards given out to some master donators don't count and I don't believe anyone earned those. Though to be fair, even some of the people with the unique awards barely earned them imo2bh.

Armada - October 30, 2017, 7:13 pm

I dont have any one specific award, but I do like my RAT award and Da Bomb award.

Pretty much anyway you get that you cant straight up purchase is pretty cool to get.

Brendan - October 30, 2017, 7:14 pm

i'm still going for that jokester award

one day i'll make him laugh

The F award.

I think it'll look good on a profile like mines.

Levi - October 30, 2017, 11:14 pm

Probably the Music Lover or Drunk award, Fish one is cute too.

Cammy - October 31, 2017, 1:14 am

I would have to say it is probably a tie between my Omnicoin award and my Purple Clover award
They are both so pretty and stuff

test - October 31, 2017, 1:20 am

Probably White Hat Helper. Nokia's exclusive Heart of the Lion award is pretty dope too. Maybe it's just because it's so exclusive.

r0fleZ - October 31, 2017, 2:08 am

I like the Royalty award, looks the smartest and must mean a lot if you receive it.

n0\$f3ratu\$ - October 31, 2017, 2:24 am

Definitely DaBomb because I am down with Omni. ?
...almost forgot about my Ninja. :D

Captain Steve Rogers - October 31, 2017, 2:42 am

Diamond award.

I'm gonna get it one day!

Geass - October 31, 2017, 3:36 am

I like the cheese pizza award because I like cheese pizzas.
