Thread: [VPN Bid = FR/CA = DDOS Protected = Cheap = UDP/TCP = One Price = Zer0 Logs](#)

Fiend - November 1, 2017, 8:26 am

Most of you might think oh it's another VPN using 'Digital Ocean' Sadly not we use a host that cares / want's to stop attacks. OVH

is one of the best Providers for stopping such attacks and our VPN Service's are made to resist and stop Attacks and most popular ones if that.

We will do our best to Provide a product that will keep you online without a hitch, One Price, One Protection, Zer0 Logs

Try us today!

Features

- OpenVPN
- UDP Based
- TCP Based
- DDOS PROTECTED
- Cheap
- Guaranteed 99.9% up-time
- Optimised Servers
- Speed and Reliability

Locations

France

Canada

OVH UK (Coming within the upcoming week)

Price: \$20 Lifetime

(you all thinking why Lifetime, We don't need Money to run something we love to keep up Money isn't an option and has been private for year nearly)

Pm Me to buy!

Ruins - November 1, 2017, 8:47 am

Very nice service and the VPNs are really good. Vouch for this dude.

Fiend - November 1, 2017, 2:12 pm

Thanks for the Vouch my good man, Come on guy's and girls let's keep this service up there :)

Fiend - November 2, 2017, 6:31 pm

Online taking sales, Pm me if interested.

Fiend - November 21, 2017, 5:41 pm

Still doing this. Pm me if interested.

SigaVPN - November 22, 2017, 11:39 am

Removed to prevent doxxing.
