Thread: [free account shop thread design \(including font\)](#)

aawon - November 1, 2017, 2:05 pm

spent around three hours making this
note: you might get this error, keep layers

ive included the font i used throughout the thread design and a couple other ones
i also included a simple guide in the psd on how to customize the icons and cropping :) (if you only wanna list 6 accounts/12/18 etc)
