Thread: [How many times have you guys re-watched your favorite shows?](#)

WaterWhippin - November 2, 2017, 8:58 am

I've watched all 15 seasons at least 10 times. The jokes never get old and I laugh at them every time, sometimes even notice more jokes lol. How many times have you guys re-watched your favorite show and what show was it?

Cammy - November 2, 2017, 9:04 am

I never rewatch anything, no matter how much I love the film or tv series
Knowing what happens beforehand takes out most of the fun for me

TheRealDarthHazard - November 2, 2017, 10:07 am

Depends. If I don't have anything new to watch then I will. I will also watch the previous seasons just to make sure I remember everything which I did for Narcos when season 3 came out. Also started watching The Office (US) again because it just never gets boring.

wasteman65 - November 2, 2017, 2:33 pm

Friends.

Jk i don't watch that, my sister does though, over and over again. Breaking Bad is something i'd rewatch, i still haven't watched the latest season yet, the one set in Yemen

Anima - November 2, 2017, 2:38 pm

Grey - November 2, 2017, 3:54 pm

I have watched The Walking Dead at least 8 times, probably more. I have also seen Friends at few times.

When it comes to movies, I have seen World War Z like 20 times lol

luke - November 2, 2017, 4:06 pm

I've never really rewatched series or movies, no point honestly.

You already know how the story goes, what happens, when, the scenes.

Every time I rewatch House of Cards (TV Show) I notice something new. You're so used to all the shit, there's more to learn.

MarSy - November 2, 2017, 4:12 pm

Breaking bad, 3 times I think.

I've watched the final season's finale a good 5-6 times though

Nosi - November 2, 2017, 4:15 pm

Only thing I can rewatch over and over again is Pulp Fiction tbh. Other than that there is no point for me.

hi_man - November 2, 2017, 4:16 pm

I have watched 6-7 times.

My friend watched 700 times, her favorite movie

ObiJuanKenobi2 - November 5, 2017, 1:16 am

Tbh even if I really like a show I tend not to rewatch it because I already know what's going to happen so there's no real suspense. I mean I guess I could watch a couple of episodes I liked again but never the whole series.

nordon - November 6, 2017, 2:21 am

Only a couple of times, 4 max.

Edog15 - November 10, 2017, 1:06 pm

I watch reruns of family guy and American dad over and over to this day

luke - November 10, 2017, 1:09 pm

True, I might give watching my favourite movies a try and seeing if I notice more shit.

Calibur - November 10, 2017, 4:01 pm

3x Max. Doesn't matter if i love the show, It would become boring if i watch it too much.

Dcowd12 - November 11, 2017, 11:43 pm

Not well i think 3 much....

SIM-2959547 - November 13, 2017, 3:34 am

The only ones which I rewatched are Jericho(oh god, that was such a good tv series, can't believe they stopped it after season 2) and Fringe. And I rewatched them years later when I already forgot most of the things that happened, otherwise I wouldn't do it

labgames - November 18, 2017, 12:08 pm

Breaking Bad is something i'd rewatch

anthonybrown - November 19, 2017, 12:00 pm

cryptomaniaq - November 20, 2017, 5:35 am

i watched terminator II 6 times (im a big fan)

chaclak - November 25, 2017, 4:47 pm

I have seen Farscape at least twice. It's just such a great sci-fi show that wasn't afraid to be silly or weird at times. Also the puppets Jim Henson's company are amazing, really makes me wish more shows would go with a puppet route vs cgi.

Hours - November 25, 2017, 4:50 pm

Don't watch too many TV shows, but I've re-watched LOST 2 or 3 times because I got friends into it.

Crake - November 25, 2017, 4:53 pm

I never rewatch any shows. Movies, however... I've seen each of my favorite films 3 times or more (except my most recent favorite, La La Land)

Abhilesh93 - November 26, 2017, 10:01 pm

isedore - December 1, 2017, 5:24 am

How I met your mother, House of Payne and Fuller House

Desert - December 1, 2017, 9:13 pm

I've seen every season of that 70s show 12 times lol

Earnar - December 1, 2017, 10:41 pm

I've watched Breaking Bad about 5 times total, and I've watched Dexter twice. Not intentionally, but over the course of years as a kid watching TV, I've probably seen every season of Fresh Prince and Full House at least 3 times.

Movies? Shit... I've probably rewatched the really good movies at least 4 or 5 times a piece. I've seen Saving Private Ryan over 50 times, and I've seen The Godfather 1 and 2 at least 10 times each. Part 3 I've only seen once.

Monero - December 2, 2017, 3:24 pm

perper350 - February 21, 2018, 1:53 am

KaZio - February 21, 2018, 5:59 am

What's fun is watching a TV show or a movie, and rewatch it a few years later and not remembering shit lol.

Alias (best TV show ever) 8 times (tv and dvd)

Calibur - April 15, 2018, 1:37 pm

Watched How i met your mother about 8th, and still watching it every time i'm off to sleep!

owlfy - April 16, 2018, 4:41 am

I don't really watch TV series anymore as I prefer movies with different actors. I can't stand watching the same cast over and over every episode it grows stale to me. But growing up I watched the seasons of Fresh Prince, Full House, Saved by the Bell, Rosanne, Family Matters, California Dreams, Baywatch, and Three's Company many times.

rl fennec - April 17, 2018, 7:29 pm

The Inbetweeners (TV Show) - ~15+ times? :/

The Inbetweeners (movies) - ~8 times?

Brooklyn 99 - Rewatched episodes here and there quite a few times.

These are the main ones I've re watched heaps. Most the time they've just been on in the background but I'm still engaged in them.

skidzipop - April 18, 2018, 2:11 pm

I re-watch Friends and HIMYM a lot. I usually start from the beginning with HIMYM but I pick the episode that I feel like watching for Friends.

Vegeta - April 18, 2018, 3:20 pm

I watched all of Friends probably 10+ times. I've also watched Roswell about 5+ times. I still re-watch Friends a lot because it's just always been funny to me.

f o r m i d a b l e - April 22, 2018, 3:54 pm

I rewatched Breaking Bad, and Exorcist. Also I plan to watch Altered Carbon a few times because it's confusing me.

senorinu - April 24, 2018, 5:38 pm

My favorite anime of all time- Cowboy Bebop, probably about 15-20 times. Can't get enough of the music, story, and animation which is still good to this day.

Headless - April 24, 2018, 7:21 pm

Personally, I don't rewatch shows or movies I kinda feel like its a waste of time as you already seen it but its preference I just don't.

Syfer1234 - April 24, 2018, 8:14 pm

the first month i think i found e whoring i needed a show to watch and i randomly found the big bang theory and some website had every single episode and only for that series and nothing else so i just watched it cause i mostly only like funny shit anyway. right as i found that my friend had just grown a ton of weed so he gave me some free ounces and i stocked up on blunts and shit. i just laid in bed e whoring rolling blunts and rewatching all the seasons to that so high i cant even pay attention or tell what episode im on. i was so high i couldn't tell if i watch rewatching an episode a whole season or what (turns out i was watching the same season over and over again with diferent seasons but was too high to notice) came out of the weed coma with like 3000 dollars and watching the whole series like 10 times lmao

NetworkForceNET - April 24, 2018, 8:24 pm

Satans cat - August 3, 2018, 12:13 pm

I've watch Its always sunny in philly 5 times through and still die laughing at the jokes.

Bluffer - August 3, 2018, 2:36 pm

Honestly when I was a young kid I would watch a favourite movie like 20x.

Now whenever I enjoy a TV show I'll rewatch it maybe years down the road.

Off the top of my head I can say that I've rewatched Prison Break and Breaking Bad, as well as Trailer Park Boys. All three are in my top 10.

I'm still getting through some of the best tv series that exist out there like Lost for instance is one I've failed to get launched yet, others like The Sopranos I really liked the first season but stopped a few eps into the second. Dexter is a show I think I'll rewatch in a few years.

-Snow - August 3, 2018, 5:19 pm
