First 30 seconds in the sister is nude kissing her brother and he drinks her milk in a cup. I was more surprised watching this than the first episode of highschool dxd.

Man that is definitely some undercover hentai lol

yohani - *December 23, 2017, 9:07 pm*

These animes are getting more and more famous like the testament of a sister new devil, more borderline hentai than anything else.

You forgot the part where all that shit was just part of some shitty novel the main character was trying to pitch that got denied.

pubdubs - *February 4, 2018, 1:15 pm*

lolol what is this and why do people watch it

Shuxas - *February 10, 2018, 3:29 pm*

Now that is an interesting image, I think I shall be watching this later, research..
