Thread: [Selling OFFICIAL Hack Forums Group \[2 Subforums\] | ACCEPTING OFFERS](#)

Varane - November 3, 2017, 4:20 pm

I am selling my Hack Forums group. It has 2 subforums that you can do whatever you want with and obviously the actual group subforum.

I don't have an exact price that I am looking for, so I will be open to offers.

Don't PM me if you plan to offer anything below 3K.

I will only be accepting BTC or ETH for the payment. I will not be covering the transfer fee or the rebrand fee.

Night - November 3, 2017, 4:21 pm

My friend Riyu asked if he can do payment plans.

Trappy - November 3, 2017, 4:22 pm

Would you take aged bitcoin for this?

I offer \$3000, 6 year old aged bitcoin.

Narrate - November 3, 2017, 4:25 pm

I think I know what I want for Christmas Vyrez.

Meow - November 3, 2017, 4:25 pm

Offering a method on how to obtain cs:go skins, please let me know if you are willing to trade.

?uncho - November 3, 2017, 4:29 pm

Gustav. - November 3, 2017, 5:54 pm

I have some Aged BTC for you.

Cameron - November 3, 2017, 6:13 pm

Good luck with the sale mate. Hopefully you can get the amount you're asking for.

Varane - November 4, 2017, 8:10 am

I have updated the thread, and lowered the minimum offer amount.

SIM-3323508 - November 4, 2017, 8:17 am

4K seems reasonable. Imo you should just sell to Cameron for \$3800.

Neal Caffrey - November 4, 2017, 2:20 pm

Good luck with sales, I heard there are multiple users offering 4.5k+ from Romania, maybe hit him up?

carlos_matos - November 4, 2017, 3:28 pm

I think Romania and his friends were offering 5-6K, he promised me he would buy any group being sold at such a low price for 5-6K to not fuck up the market. Hit him up!

Omtism - November 4, 2017, 6:55 pm

Can I offer you a nice egg in this tryin' time?

Biggy - November 4, 2017, 8:01 pm

RIP to the sick Revolution userbar, good luck selling the group.

Nobody said that we would offer 5-6k. Tundrun just rides my dick a ton because he offered \$3700 for a group and I told him that he should probably stop lowballing.

HAHAHAH this man Tundrun is trying to flex about his money but he is in the giveaway section trying to get 50 cents off some gas

that's like me saying

>mfw ur so broke u have to do other people's homework to make a living

hahahahahahahah fucking broke fucker

bet it makes you reminiscent of the times your school bullies made you do their homework for them

HJAHAAHAHAHAHAH

Anyway. Stop going off topic. Stop searching through my posts because you're salty. \$15 discount on a full tank of gas, you're going to cook me on that? That's a steal. You do realize how high and mighty you sound? I'm also not trying to flex my money. You called me broke. I showed you my crypto wallet. That's not flexing, that's proving a retard like you wrong. Don't be mad the entire forum leans towards my side than yours.

On topic: Vyrez, I hope you find a purchaser for your group. A distinguished member PMed me offering me his group for 4.1k (I pay fees), but I declined. Just giving you a feel for the market.

Varane - November 6, 2017, 2:53 pm

I would appreciate if you kept this thread on topic.

Gypsie a Romani - November 6, 2017, 4:38 pm

How much to buy in? I would like to become a member

Varane - November 6, 2017, 5:49 pm

I AM NOW ACCEPTING OFFERS UNDER 4K!

I am still not willing to pay the transfer fee, so don't ask me to pay for the transfer fee but I am willing to think about any offers above 3.5k.
