Danktober - November 5, 2017, 12:16 pm

I didn't know this was going on but I'm already too late

That1Dude - November 5, 2017, 12:44 pm

Killy - November 5, 2017, 1:09 pm

Kyrus - November 5, 2017, 1:14 pm

I thought it was sober-November

But shit lol. I already broke both of those even though I said I'd do it.

canine - November 5, 2017, 1:19 pm

No because I'm not a fucking poser. If I'm going to be regulating my semen discharge I'm either going to keep it consistent all year round or transcend completely and permanently chastise myself.

Azuaraz - November 5, 2017, 1:48 pm

Going 5 days strong my g.

3749009 - November 5, 2017, 1:57 pm

5 days strong as well, if I ever feel like busting a nut I go eat food or something, it's a great distraction.

ZooTedl - November 5, 2017, 2:04 pm

WHOA. Now this one would be difficult

luke - November 5, 2017, 2:04 pm

Its day 5 of NNN, I fell asleep crying in a burger king, covered in bbq sauce. Cute waitress woke me up, ran away. Honestly I feel like rape is morally just at this point.

MagikMindFreak - November 5, 2017, 4:59 pm

I'm not!! But I'm participating in No Shave November :)

apepi - November 5, 2017, 5:53 pm

What a stupid challenge. Most you cucks couldn't even go a week if you were in jail much less a day at home. My longest is about 5 and a half hours if you don't include sleeping time.

SanctualProductions - November 5, 2017, 5:59 pm

To be honest zachary jr would get very anxious and irritable if I did this challenge

C-Only - November 5, 2017, 6:07 pm

No shave, no nut, no drinking, who cares.

I fail at life already.

(fap fap fap)
