As I was selling this method because i needed urgent money and it was prone to getting saturated and now I am alright with my finances also no one bought it and I am not selling it anymore.

Aficionado - November 6, 2017, 1:22 pm

Let me know if your willing to let a middleman hold the funds until I generate \$100 through the method.

Update: I have paid this user \$40 for the guide upfront. It can 100% work. However, this method is not new to me at all and OP has agreed to give me a refund.

Will update once I have received my refund.

Assuming he won't seeing his reason for selling is need for urgent funds. Don't think he can wait 30 days or he would just do the method himself

Exactly ^^ What ManboyMafia said

You can pay through paypal and open up a dispute lol if you don't earn 100\$ in a month.

I know as I am not giving vouch copies I am at a disadvantage but I Guarantee 100% that you will earn at least 100\$ with this.

This sounds reasonable. If not Aficionado then get someone highly reputable to be elibilge for this.

Only way I would be interested.

I really need money urgently, apparently if no one buy this in 2-3 days I will go with the middle man deal.

JOW - November 6, 2017, 4:57 pm

Posting to possibly buy after seeing a vouch, good luck with sales!

chcumber2020 - November 6, 2017, 5:01 pm

I understand, if the person that has posted above you does not buy. I will contact you, do you mind paying the Middleman fee?

30 - 40 mins every day for a tiny \$100?

Sounds like a lot of work for a small return.

The average person works an hour at a regular job to only make a measly \$10-12.

If this method is truthful and legit that's not bad.

Sounds like a lot of work for a small return. It isn't only 100\$, it can be around 300-500\$, I will offer a person complete refund if he earns less than 100\$ because this mentor ship costs 100\$, Not because you can only earn 100\$ via this and also where I live this is considered a fine amount as additional income.

Aficionado - November 8, 2017, 1:00 pm

OP has refunded my money.

As I said before in my first post, this method can work if your willing to put the time in.

Because of his background he was already aware of the twist I use in the method, although It is not generally known. You can ask him.

So many people have been asking what this includes in PM, I can not reveal the method, although this is related to Instagram, no e-whoring, dropshipping or ebay

TransipireX - November 11, 2017, 2:29 pm

This is still up for sale.

I will give a full refund if the person earns less than 100\$ in 30 days.

Mjuke123 - November 12, 2017, 7:28 am

I am offering full refund if it earns you less than what you are paying for this,

This is not an ebook that will earn you imaginary 5000\$ a week.
