So I have this tattoo. The back of my hand seems not finished and empty, I am really not sure what I can add there.

Anyone have any ideas? Something nice that blends with my current tattoo. ?

I was ready to come on this thread and call your tattoo an ugly piece of shit but that's actually pretty nice.

I normally don't like those kinds of tattoos but this one is quite good looking.

To me it doesn't seem empty.
