Tyrannus - November 6, 2017, 10:15 pm

Pretty sure the link was changed, unless you have proof that this form is valid.

If you have nothing to hide, then you'll post proof without making excuses.

Not sales trashing. I have the new link, it's recently been changed.

So I highly doubt you have it. Prove me wrong if you wish. Until then, members should be careful.

ilikecheese - November 6, 2017, 11:41 pm

I PMed you and looks like you haven't even tried the method yourself, therefore have no idea whether it really works. I don't care if your "friend" says it works.

7amous - November 7, 2017, 1:01 am

Lol everyone is all of a sudden selling this.

Must be on it a way out

Airness - November 7, 2017, 1:02 am

Seems like this is a public method. Give out a vouch copy to a member with some rep. Doesn't need to be some 2k+ rep lol

@Winter - November 7, 2017, 1:37 am

I'll take a vouch copy, let me know

Space• - November 7, 2017, 1:38 am

I could make a vouch review for you to show legitimacy, other than that; do you have any proof?

So wait, you're giving someone with LESS rep a vouch copy when there's people with higher rep, like you wanted, that you rejected to give a vouch copy to?

Yeah, you're bullshit. Your picking someone that doesn't know the IG scene well. You're up to no good, just like your instagram account sales.

Reps are a representation of who you are or what you're past history is, can be considered contribution-wise as well. Whole lot more going on that just pixels.

Would you trust someone with -50 rep wanting to exchange with you?

Biggy - November 7, 2017, 1:54 am

HAHAHAHAHAHAHAHA.

HAHAHAHAHAHAHAH.

I'm literally LAUGHING MY FUCKING ASS OFF IRL.

He just PM'd me the public contact link for Instagram as his "method" for claiming usernames.

I knew this was bullshit. I can't stop laughing.

You literally google "contact instagram" and that's the link he's selling.

HAHAHA You know just as a joke you should totally post the real link to the claim form ?

Death Gun? - November 7, 2017, 1:56 am

Way to attempt to sell a "method" that isn't even a method but a public contact link. 10/10 would give you thousands for no reason.

@Winter - November 7, 2017, 1:57 am

This isn't a method, this is a link to copyright or trademark claim

7amous - November 7, 2017, 3:17 am

This thread gave me every illness in existence. Fuck me HF members are retarded. Who sells a public link?

Goku - November 7, 2017, 3:31 am

How can you sell a link to a contact form?
