you know gett is just a file sharing site, right? and, you know, you can see the files you're downloading (which in this case are .txt files)

gett isn't sketchy

i dont know why you guys are memeing so hard, op wants to help, he just didnt read the [Help Docs](#) and wants to probably farm a bit of +rep ;)

so op, We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.
