eBay Item Watchers BOOST | RANK YOUR ITEMS HIGHER ON EBAY SEARCH

WHY BUY EBAY WATCHERS

The number of watchers an EBAY item has a massive impact on how highly ranked it is on the ebay search.

Therefore if you purchase watches from us you will be boosted and are MUCH more likely to make sales!

I will be boosting your item by adding watchers from a host of different ebay accounts

You have the ability to spread the watchers you purchase over a multiple host of listings

Price List (If you want a custom interval eg 75 message me on skype and ill give you a price

5 Watchers for your eBay item - \$3

20 Watchers for your eBay item - \$8

50 Watchers for your eBay Item - \$15

100 Watchers for your eBay Items - \$25

Price is kinda high for what your offering, but it is a nice idea and I do think with an adjusted price you will get sales
