T.O.S

- Sales trashing will automatically make support, future updates and the refund policy void.
- You must wait 30 days before you can attempt to claim your refund policy
- Opening a chargeback will automatically make your support, future updates and refund policy void.
- I can change these policies whenever I want without an update notice.
- By purchasing, you automatically agree to all of my current and future terms of service.
- Proof might be asked for when attempting to claim a refund, you must comply.

Bombaclut - November 10, 2017, 3:27 pm

Probably one of the best methods. if not the best on the market right now. These methods are constantly updated and consist of extremely unique and user friendly tutorials which will ensure success for any client. I'll bet my account on it. The investment here is absolutely nothing compared to the money you'll be seeing during setup and throughout the processes and steps you are required to complete to see bands. Everything is laid out in an extremely professional manor that makes it suitable for users with no prior internet knowledge or dexterity. While unscrupulous internet marketers parade their offers that are more designed to extract money from you rather than help you to make it, many people are faced with the dilemma of who to trust when it comes to making money online. Clearly, there are some ideas for making money on the web that are simply too good to be true. The self-evident truth is that these ideas over-promise and under-deliver but with this product, success is guaranteed! You may as well cop this whilst it's for sale, an offer like this will not come around very soon or again for that matter.

Trappy - November 10, 2017, 4:02 pm

Do these methods work worldwide?

zipshop - November 10, 2017, 5:40 pm

can i take a vouchcopy? i will make a hq review

Bombaclut - November 11, 2017, 1:08 am

(Nov 10, 2017 06:40 PM)zipshop Wrote: [\[CITE\]](#) can i take a vouchcopy? i will make a hq review
I do not believe we can hand out vouch copies as of now due to our methods being highly fresh and unique. Giving out free copies would result in potential saturation and loss for our clients which isn't

what we're striving for. We only guarantee success with our methods and that is exactly how I am going to keep it. We have actually let two to three legit money makers take a sneak peek at what we are offering and as you can see we've already got some good reviews in the bank. If we are ever in need of an urgent review from someone, I'll be sure to shoot you a private message.

(Nov 10, 2017 05:02 PM)Trappy Wrote: [\[CITE\]](#) Do these methods work worldwide? These methods work internationally with no catches or limitations whatsoever. We only require you to follow the tutorials, be able to have access to a computer of some sort and some patience.

It's auto pilot from setup and onward but obviously you'll have to do some work at the start but it's nothing more than a few hours a day to help maximize your profits. It's not really needed but if you're into making money and really want an extra boost in your income then it's defiantly recommended. For the most part, everything you need is all there.

Any further questions or queries, do not hesitate to contact myself of Durham.

(Nov 11, 2017 12:43 AM)Chief Bromden Wrote: [\[CITE\]](#) I've had a little preview of these methods and boy am I impressed with these. I've never seen such dedicated tutorials in my entire life, extremely professional and unique. This project has enormous potential and I have to say that Durham's thrown alot of work into this. There are also a crap load of photos which makes it quite easy to follow even if you're a noob or beginner with no skills.

Thank you for your honest review of our product.

If you plan on using it yourself, you know I'm offering free mentoring for the first month of sales, you can always shoot me a direct message on Discord or Skype and I'll be helping you out provided you follow everything required of you from the book.

I don't think we're going to be able to sell this product to you because of your name.... I'm sorry but it's the only option we have to prevent it from being leaked to the public.

If you are willing to purchase this with crypto currency, I may be interested. PM me and we'll have a discussion on this. I don't know whether you do leak ebooks or not since you've only just joined but by the looks of it you seem to be a ban evader who will either leak or chargeback.

Social Engineer - November 11, 2017, 7:42 am

Here is my review of the eBook

Initial Glance

An eBook that is extremely detailed and goes into further detail about certain aspects of the method and how they work.

Layout: 8.5/10

The eBook uses a table of contents due to how long it is and how detailed it is, the contents page makes it easier to follow and everything is in it's specific category allowing you to easily move through each topic. Overall the layout has had effort put into it to make it easier for the user to purchase and follow.

Detail and Grammar: 10/10

Plenty of detail, and I didn't spot any grammatical errors when I was reading it, for me it's a 10/10 in this area.

Ease of Use/Understanding: 9/10

With the amount of detail in the eBook, it's very easy to follow it's steps and also understand what each part of the method that you're going to follow is about. There is enough detailed text contained within the eBook which should be no cause of concern when it comes to understanding the eBook. To implement the method it will require work as is the case with most methods, but if done correctly and with dedication, this could be extremely beneficial.

Final Thoughts:

One of the most detailed eBooks I have come across with a lot of potential. Best of luck to the sellers & authors of the eBook. Good luck with sales.

Bombaclut - November 11, 2017, 8:04 am

Above you can see my recent earnings from the month October onto this present day. My methods have the potential to change your life, I have personally witnessed it time and time again through friends, family and even people just like you. The only difference between you and them is that they have already taken the step forward and started earning. You're only a few steps away. I'll help you setup everything and guide you if you're struggling. I don't play any games when it comes to earning money online and providing for my clients.

I was eating buddy. I am sorry.

Cusamala - November 16, 2017, 1:58 am
Everything has been great. The support is amazing and Bomba has been very generous to me helping me out for hours on end. Do not hesitate to buy this.

Mjoke123 - November 16, 2017, 3:54 am
Kinda interested, tried to add you on Discord c\$sh#4550 but doesnt seem to work.

Pmed you so you can add me
Update
so Bombaclut [exiled@HF:] meaning he got banned?
