Thread: [>> SMOKE BOTNET LICENSE FOR SALE << FORMGRABER, STEALER, KEYLOGGER, HIDDEN TEAMVIEWER](#)

z3ro-cool - November 11, 2017, 6:25 am

I have 2 licenses for sale. Im aproved by the owner to resell it.

License 1:

Smoke botnet resident version, newest revision(june 2017).

Included 4 plugins: formgrabber, stealer, keylogger, hidden teamviewer.

By purchasing you will get full license rights, panel files, executable file, control over the domain.

Domain is paid untill december 2018, you will be able to redeem it.

Price: 400 usd for me and, 50 usd for smoke coder(license transfer fee). By paying license transfer fee, you will get support from smoke coder.

License 2:

Smoke botnet resident version, newest revision(june 2017).

Included 2 plugins: stealer, pass sniffer.

By purchasing you will get full license rights, panel files, executable file, control over the domain.

Domain is paid untill december 2018, you will be able to redeem it.

Price: 250 usd for me and, 50 usd for smoke coder(license transfer fee). By paying license transfer fee, you will get support from smoke coder.

Important notes:

Only serious buyers please, im selling my botnets because i dont have time anymore to run it.

I can set it up on VPS and show you how it works.

We can deal trough middleman.
