you are not smart guy.. ok? you think you smart because you make new account before scam off other account ok? you use same skype and post everywhere.. ok? you are DUMB BOY

Dodgers - November 11, 2017, 2:01 pm

Why are you saying okay after every sentence? Why do you keep repeating "You are not smart guy" It seems you aren't smart either, you should refrain from constantly accusing people of being scammers because they don't respond within 5 minutes, people have lives, you flipped shit on me calling me a scammer when I went AFK IRL and was going to my car, 5 mins later I see you spamming me on discord calling me a dumb american scammer.

How the fuck am I his friend? HE ACCUSED ME OF SCAMMING. I'm defending myself, clearly. I don't know or care If Cosmetic scammed him, he's saying I tried scamming him when he flipped shit 2 minutes after I went afk.

I don't know if you scammed him or what, OP needs to provide more proof on the "friend" part, but I meant it as u two are on the same side. (Don't take it personally)
