Skrill

Neteller

Perferct Money (PM)

Paxum

Bank Transfer (India Only)

Paytm

Rate and conditions as follows:

1) Rate is flexible, But also consider exchange is my business.

(Firm rate for PP)

2) Not going first to anybody. MM welcome but fee on yours.

3) Fund will be release ONLY after confirmation hit.

4) I can send paypal as service (most prefer) but possible f&f(gift) also, Once send fund i will not entertain your refund coz that make me loss due to conversion.

5) Sometime it may be 24hrs. for fund delivery, Usually i deliver very soon but if many orders in pipeline need to keep patience.

6) For India bank transfer: I prefer to do payment from my current account and in that takes 24hrs to add bank account. But if account already added always instant. While i can do from other bank but you need to wait minimum 45mins.

Also Paytm option is open.

For Paypal. Skrill, Neteller, Webmoney, Paxum:

I can ask you to verify fund source, account status, history. So be ready to show and proof those.

Idk, he never gave an exxplanation except when I mentioned the user:Themis, he denied my exchange without explanation. Good luck in your future. I wouldn't hesitate to deal with him IF you are able to.

I do have stock for these :

Paypal

Mostly all crypto (BTC , ETH, BCH, LTC, XRP, XMR, ...etc.)

WebMoney (WMZ, WMR, WME, WMU, WMX)

Skrill

Neteller

Perferct Money (PM)

Paxum

Bank Transfer (India Only)

Paytm

Rate and conditions as follows:

1) Rate is flexible, But also consider exchange is my business.

(Firm rate for PP)

2) Not going first to anybody. MM welcome but fee on yours.

3) Fund will be release ONLY after confirmation hit.

4) I can send paypal as service (most prefer) but possible f&f(gift) also, Once send fund i will not entertain your refund coz that make me loss due to conversion.

5) Sometime it may be 24hrs. for fund delivery, Usually i deliver very soon but if many orders in pipeline need to keep patience.

6) For India bank transfer: I prefer to do payment from my current account and in that takes 24hrs to add bank account. But if account already added always instant. While i can do from other bank but you need to wait minimum 45mins.

Also Paytm option is open.

For Paypal. Skrill, Neteller, Webmoney, Paxum:

I can ask you to verify fund source, account status, history. So be ready to show and proof those.
