USE COUPON CODE

Works for remotes too its lit

Manks

Just got a gold controller for 35\$

ty op

also the website is shit

CS15

CS20

CS25

Spam click on apply for all three eventually they all stack brb On my way! to go pick up cod

I'm guessing this is only for USA?

Tried on the UK site and didn't work :(

Sasaki Haise - November 18, 2017, 5:22 pm

Seems like only the CS10 code works, 20 and 25 says the promo has expired.

Manks - November 20, 2017, 7:47 am

Method didn't work regardless, They ended up saying the order was canceled due to lack of supplies

what other fuck bought a gold ps4 controller from this shit store smh.
