How long did they last? I still have some china knock off monster beats by dre headphone cables that have lasted me years... lol

Blue Eye Samurai - November 20, 2017, 8:34 am

Sadly only shipping to US :(Else I would've purchased

RedRose12041999 - November 20, 2017, 4:14 pm

For 1\$ they are worth trying

Gigabits - November 24, 2017, 2:58 pm

They are \$1.99 USD now. Which is still 72% off.

young.kurt - November 28, 2017, 10:48 am

Wish I would have seen this earlier.. Still on sale?
