Thread: [Transcendence is for sale.](#)

**TopKekeroni** - November 20, 2017, 5:35 am

I am selling Transcendence on behalf of [ra1d](#).

Even though he is currently banned he got permission from Omni to sell the group.

The BIN is \$4000, could be paid either with BTC or ETH.

The group itself comes with two subforums.

If you want you can keep the name/graphics etc.

All transfer fees will be covered by you.

Feel free to PM me with your offer. Serious buyers only.

**Space•** - November 20, 2017, 5:35 am

Best of luck with sale ra1d and TopKekeroni.

Indeed he will, you are a very astute man  
If I were him I'd wait until year 7000, let the grandkid's grandkid's grandkid's grandkid's grandkid's kid's son inherit the group.

if he decides to sell the group in 2019 he'll get 2019\$  
i'd take that offer in a HEART BEAT

its a steal

The best financial advice I could give to ra1d in this situation is to hold onto Transcendence until the year 5000.

**Biggy** - November 20, 2017, 2:48 pm

Saw this coming. Good luck selling.

**Mi2414** - November 20, 2017, 5:01 pm

Goodluck selling this. Glad to see you around Topkek!

**Cecilia** - November 20, 2017, 5:37 pm

Quite a cheap price, good luck to those buying the group :)

**Faith Connors** - November 20, 2017, 6:05 pm

wow weird it ended without anything really being done with it, just like aequitas did, just like i predicted  
hmmm

**Lukas** - November 20, 2017, 7:21 pm

Was looking forward to how the forum would be impacted by the group's presence. Best of luck with the sale.

You realize he got banned, right? How is he going to make any beneficial significance leading a group that he has no access to?

**Heart** - November 20, 2017, 7:26 pm

Why'd he get banned?

RIP group, good luck selling TopKek.

funny thing is he got pretty defensive when i brought up aequitas when i applied, maybe he was planning on selling it anyway :)  
just my speculation though

Is the fees included within the \$4,000? (\$3,750 + \$250)?

This looks pretty interesting. I think Trappy said he'd buy a group if it went as low as \$4k.

**Deany** - November 21, 2017, 3:37 pm

Ahhh all these groups for sale making me tempted to buy one.. like being in a candy store as a kid

Buy it and make it an anime group thx

**Night Fury** - November 23, 2017, 10:12 am

If this offer is still open from Omni, it might just be worth it for ra1d to take the L and have his group  
deleted.
