dr.fone toolkit for iOS please! Thank you!

DontWorryBeHappy - November 20, 2017, 12:41 pm

fyi, u can't demand users post and pm, careful so you're not banned
it's a good share

I understand but right now I can't send PM because of the 25 posts limit, and I don't want to spam post to reach there. Since I have no other way to communicate I'll have to ask people to PM.

Sending license to everyone who posted here and PM'ed. Sorry for the little delay.

Thank you for your patience.
