Somehow this kid scored a feature with Gucci Mane, Thoughts on the remix vs the Original?
I still think it is complete trash but slightly better.

LuvXo72 - November 22, 2017, 11:32 pm

doesnt matter hes making millions

slicedcake - November 22, 2017, 11:35 pm

even though his voice is horrible, he marketed himself right and now living life easy.

Right you are -

I also think he got a bit lucky.

Can't wait until everything starts to catch up to him and his ass goes to jail

Joeka - November 25, 2017, 11:29 am

he paid 250K for the feature so it wasnt really worth it. i lost respect for gucci mane cuz he would take money to be part of a shit song

This is slightly better, but it's still really terrible. I can't wait for this kid to be broke and irrelevant in 10 years ?
