Thread: [Rurouni Kenshin author charged for CP](#)

Professor Pantsu - November 23, 2017, 9:51 am

Dude had about 100 CP DVDs.

Meanwhile if he were American he'd be getting 20 years, castrated by inmates, then forced to eat said nuts.

Doubt it, the US governments full of pedophiles and no one gives a shit. If you're caught you'd probably be let go in a year if the crime was nonviolent.

Though, why the fuck did it have to be my favorite childhood animes author :(

There are actually like DVDs of CP? I thought it was digital stuff.

Flowerson - November 28, 2017, 4:48 am

Sad day, this will just give a bad image for other anime goers

Saltpeter - November 28, 2017, 4:55 am

This doesn't set a good precedent either.

yohani - December 23, 2017, 8:39 pm

I'm not surprised lived up to his name!

pubdubs - February 4, 2018, 1:18 pm

Yeah knew this was gonna happen

Shuxas - February 10, 2018, 3:10 pm

Well damn, thats just messes up..

perper350 - February 20, 2018, 6:31 pm

what ? why is he charged i cant understand

Tasemu - February 22, 2018, 7:07 am

Jesus, didn't see that coming. I loved rurouni kenshin O.o

The anime fan base is filled with Pedo's look at all the obsession over the characters that look like they are 10. They know their fan base well.

Lmfao get your head out of your ass

A manga author with cp in america would be made an example of... pedophilia is not taken lightly here. it's kind of shocking to even see that it wasn't made "totally illegal" in japan until 2015.

VA Tragedy - February 28, 2018, 9:25 pm

Surprised its not more manifested in his work

You did, did you?
impressive I highly doubt it but impressive none the less.

Yeah this will bring unpleasant light on a lot of people who watch anime because of this, super sad though.. ruroni kenshin is really good.
