Thread: [How do you enable post notifications for if you are quoted?](#)

4425050403 - November 24, 2017, 5:25 am

Is it an upgrade ability? Because most of the time people quote my posts but I don't see any indication so I never see their reply.

Deany - November 24, 2017, 5:27 am

It's not a feature on hack forums.

Nope. Nothing like that exists here.

BOBBY TARANTINO - November 24, 2017, 1:49 pm

I hope one day an app can be created

VYLLYN - November 24, 2017, 2:15 pm

Would be nice if they implemented getting notified when you are quoted in posts would save a lot of time :D

Lisaito - November 24, 2017, 2:16 pm

I think Omni has too many broken things to fix already before implementing anything else.
