Nobody likes me, wtf did I do fam?

ZerFallen - November 24, 2017, 9:23 pm

Stop bitching and moaning, because now one more person doesn't like you...

So, you made a thread about how you don't get replies? Kind of LQ if you ask me.

He might've thought this will be a good strategy to promote the thread on which he gets no replies.
I've heard them say there's no bad advertisement.

I find it LQ that the thread get's 46 views, 24 unique people clicked through to the page, checked it out, and not one person posted anything prior to this thread.

Don't expect people to respond to you all the time.
