eBay Item Feedback - Trust Solutions

Welcome to TheBusinessMan's eBay solutions, As you may know, People are more likely to buy an item from a seller who has a higher Positive Feedback Percentage. This not only makes customer believe and trust you, It also offers a higher chance of getting your eBay seller account upgraded to higher limits when your detailed seller rating is not upto the expectation.

What i will be doing is buying your eBay items from my accounts and will be leaving Flawless reviews for your product to ensure a HIGH POSITIVE FEEDBACK SCORE.

I can also be able to give Negative Feedback to your competitors, Giving you a higher chance and Increased Sales.

Below is a price list of our Services :

05 Feedback for your eBay item - \$19.99
10 Feedback for your eBay Item - \$34.99
15 Feedback for your eBay Item - \$44.99

You will also receive full support with your purchase to make sure you are fully satisfied! Hit me up on Skype and we'll get you set up with everything you need.

Code:

Code Skype: revababy111

Feedback can be spread across multiple items

Lol why is that because discord cant be hijacked and possibly get you scammed like u get on skype manytimes?

And when did this rule got applied I see still many pep who have discord contact
