Thread: [Request Hack: www.hattrick.org](#)

patrickoctavio - November 25, 2017, 5:31 pm

Hello

I want request a hack in my football game website named: [www . hattrick . org](#)

I would like to change values in my Finances section on the game. From my actual balance to €900,000,000.

Anybody could make a hack to my finances section, in my money values of my team and increase my money?

I appreciate any help.
